GB // Inspired by the metropolises of our world

METROPOLITAN STORIES - DIGITAL INSPIRATIONS are selected digital print motifs, designed in large format for breath taking wall presentations of the highest quality. Whether you lean towards imposing nature motifs from Cape Town or artistic explosions of colour from Barcelona - these exclusive motifs will make you eager to create your own, novel interior world. And hanging is child's play - 1 motif on a roll can easily be cut into strips, labelled and numbered so that gluing proceeds without a glitch. The high-quality non-woven backing material also ensures that it hangs securely and guarantees the best wallpapering results.

FR // Inspirés par les métropoles de ce monde

METROPOLITAN STORIES - DIGITAL INSPIRATIONS représentent des motifs d'impression digitale grand format sélectionnés pour des mises en scène murales à couper le souffle de la plus haute qualité. Avec les motifs naturels imposants de Cape Town ou les explosions de couleurs artistiques de Barcelone, les motifs exclusifs donnent l'envie de créer un tout nouvel univers intérieur. De plus, la pose est un véritable jeu d'enfant - un motif sur un rouleau se compose de plusieurs bandes numérotées avec un marquage pour un collage inratable. Le support intissé de haute qualité permet en outre une pose sûre et garantit la meilleure expérience possible en matière de papier peint.

Made from Germany - into the world.

RU // Наверяно городами мира

METROPOLITAN STORIES - DIGITAL INSPIRATIONS - это избранные мотивы для крупноформатных цифровых печатей высочайшего качества для захватывающего дух оформления стен. Эксклюзивные мотивы, например, импозантные изображения природы Кейптауна или феерия световых эффектов в Барселоне, побуждают к собственной, новой манере оформления интерьера. При этом поклейка выполняется играючи: 1 мотив на одном рулоне просто нарезается на полосы и легко приклеивается благодаря маркировке и нумерации. Кроме того, высококачественная флизелиновая основа обеспечивает надежную поклейку и гарантирует наилучшие результаты оклейки обоями.
