Beachhouse

At home by the sea: with Mediterranean lightness, the **Beach-house** collection brings a relaxed **Ibiza flair** into our homes. Making it incredibly easy to immerse yourself in sea-blue colour worlds and enjoy **natural textures**. And they are as soft as powdery sand.

Stylish and modern but not too perfectly styled – that's how we love our sunny beach house. We like to rely on the charm of **traditional patterns** and original materials. A **tile mosaic** with an intricate and artistic pattern is a must.

Delicate **plant prints** are also very welcome, conjuring up an inviting atmosphere in the blink of an eye. A subtle **ikat pattern**, which shines on the wall in light grey, feminine pink or soft green, also offers a Mediterranean feel. To bring together what belongs together, all the designs in the collection are **colour-coordinated**. If you like, simply combine different plain colours or create a picturesque backdrop with accent walls. Living on holiday is simply wonderful.
