„Inspiration from nature – stylishly brought into your home.“

LIVERNA

rasch®

Liverna brings a fresh, vibrant atmosphere to any room, evoking the first days of spring. With delicate watercolor leaf patterns and intricate floral motifs in soft pastel tones, this collection transports you to a world of lightness and connection with nature. Artfully drawn leaves appear almost alive, conveying the gentle freshness of spring, while the subtle color nuances – from tender light green and soft blue to fresh taupe and beige – create a harmonious and calming effect.
