NOVELLA

It brings a fresh, vibrant atmosphere to any room, reminiscent of the first days of spring. Featuring delicate watercolor leaf patterns and intricate botanical motifs in soft pastel tones, this collection transports you to a world of lightness and harmony with nature. The intricately drawn leaves appear almost lifelike, capturing the subtle freshness of spring, while the gentle shades — from light greenish hues and soft blues to fresh taupe and beige — create a harmonious and calming effect.

The background of the image features two wooden spools of light brown twine in the upper left. Below them, several pieces of fabric are layered. One fabric has a delicate, light brown floral pattern. Another piece, in the foreground, has a bold, dark brown abstract pattern. A third fabric, partially visible on the right, features a light brown leaf pattern. The overall aesthetic is rustic and craft-oriented.

A close-up photograph of two wooden spools of light brown twine. The spools are resting on a light-colored fabric with a subtle, elegant pattern of stylized leaves and branches. The lighting is soft, highlighting the texture of the twine and the grain of the wood. A semi-transparent grey rectangle is overlaid on the image, containing the text 'Mix and match'.
