When something is particularly good, there's every reason to hold on to its essence and build on it.

That's why rasch created the „Unsere Besten“ collection!

This is a specially curated collection consisting only of our customers' favorite wallpapers – guaranteed to bring a smile to the faces of wallpaper lovers time and time again. Each wallpaper has successfully enhanced a wide variety of walls – sometimes with delicate stripes and graphics, sometimes with delicate florals, sometimes with bolder colors. Our Best have a little bit of everything – but never too much.
