Wall Textures VI

Einfach gut angezogen!

Unit wallpapers not only offer a variety of great colors, but also a wide selection of unique haptics and looks. From washed concrete and fabric looks to linen they fit perfectly into any **modern** household. For those who like something a little more tangible, three dimensional reliefs offer the ideal wall accompaniment. And for those who prefer a **classically** elegant style, there are a **variety** of subtle and elegant looks that they will love.

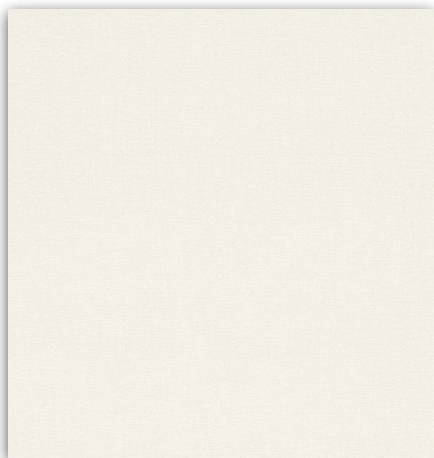

We also provide you with a wide selection of colors with different effects: Whether matt, glittering or metallic, from restrained natural tones to rich red - here you will find the perfect counterpart to the white wall or motif wallpaper.
